Koecher, Max
Imbedding of Jordan algebras into Lie algebras. II. (English) [Zbl 0311.17005]

For a scan of this review see the web version.

MSC:
17B60 Lie (super)algebras associated with other structures (associative, Jordan, etc.)
17B20 Simple, semisimple, reductive (super)algebras
17C50 Jordan structures associated with other structures
17B40 Automorphisms, derivations, other operators for Lie algebras and super algebras
