

**Landis, E. M.**

**Second order equations of elliptic and parabolic type. (Uravneniya vtorogo poryadka ehllip-ticheskogo i parabolicheskogo tipov).** (Russian) [Zbl 0226.35001](#)

Moskau: Verlag "Nauka", Hauptredaktion für physikalisch-mathematische Literatur. 287 S. R. 1.11 (1971).

For a scan of this review see the [web version](#).

**MSC:**

- 35-01** Introductory exposition (textbooks, tutorial papers, etc.) pertaining to partial differential equations
- 35J15** Second-order elliptic equations
- 35K10** Second-order parabolic equations
