

**Kornejchuk, N. P.; Polovina, A. I.**

**Algebraic-polynomial approximation of functions satisfying a Lipschitz condition.** (English)

Zbl 0226.41002

Math. Notes 9, 254-257 (1971).

For a scan of this review see the [web version](#).

**MSC:**

[41A10](#) Approximation by polynomials

[41A15](#) Spline approximation

[41A25](#) Rate of convergence, degree of approximation

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
