

Lapscher, F.

Propriétés de 'longueur de chaîne' dans l'ensemble des fermetures supérieures sur un ensemble ordonné. (French) Zbl 0309.06001
Discrete Math. 7, 129-140 (1974).

For a scan of this review see the [web version](#).

MSC:

06A15 Galois correspondences, closure operators (in relation to ordered sets)

Cited in **2** Documents

06B05 Structure theory of lattices

06B23 Complete lattices, completions

06C05 Modular lattices, Desarguesian lattices

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
