

**Moynihan, Richard**

**Probabilistic metric spaces induced by Markov chains.** (English) Zbl 0314.60047  
*Z. Wahrscheinlichkeitstheor. Verw. Geb.* 35, 177-187 (1976).

For a scan of this review see the [web version](#).

**MSC:**

**60J10** Markov chains (discrete-time Markov processes on discrete state spaces) Cited in 1 Document  
**60B05** Probability measures on topological spaces

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
