

Preiser, Udo

Produkte endlicher einfacher Gruppen. (German) Zbl 0388.20020
Math. Z. 167, 91-98 (1979).

For a scan of this review see the [web version](#).

MSC:

20D40 Products of subgroups of abstract finite groups
20D05 Finite simple groups and their classification
20D20 Sylow subgroups, Sylow properties, π -groups, π -structure

Cited in 1 Document

Keywords:

PRODUCTS OF FINITE SIMPLE GROUPS

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
