

Jacod, Jean

Une condition d'existence et d'unicité pour les solutions fortes d'équations différentielles stochastiques. (French) [Zbl 0436.60044](#)
Stochastics 4, 23-38 (1980).

For a scan of this review see the [web version](#).

MSC:

60H10 Stochastic ordinary differential equations (aspects of stochastic analysis)

Cited in **11** Documents

60G48 Generalizations of martingales

Keywords:

[semimartingale](#); [existence of a strong solution](#); [monotonicity condition](#)

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
