

Cicala, Placido

Asymptotic theories of elastic beams and rods. (English) Zbl 0485.73040
Meccanica 16, 85-92 (1981).

For a scan of this review see the [web version](#).

MSC:

74K10 Rods (beams, columns, shafts, arches, rings, etc.)
74B20 Nonlinear elasticity

Cited in **1** Document

Keywords:

asymptotic theories; beam-like structural elements; first approximation formulations; different degrees of nonlinearity
