

**Yafaev, D. R.**

**Resonance scattering on a negative potential.** (English) Zbl 0582.35109  
J. Sov. Math. 32, 549-556 (1986).

Translation from Zap. Nauchn. Semin. Leningr. Otd. Mat. Inst. Steklova 138, 184-193 (Russian) (1984; Zbl 0557.35094).

**MSC:**

**35Q99** Partial differential equations of mathematical physics and other areas of application Cited in 3 Documents  
**35P25** Scattering theory for PDEs  
**81U99** Quantum scattering theory

**Keywords:**

potential with compact support; quantum scattering; lower estimate; positive repulsive potential

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
