

**Mumford, David**

**Abelian varieties. With appendices by C. P. Ramanujam and Yuri Manin. 2nd ed. Reprint.**  
(English) [Zbl 0583.14015](#)

Studies in Mathematics. Tata Institute of Fundamental Research 5. Oxford: Oxford University Press. XII,  
279 p. (1985).

This is a reprint of the second edition of the book (1974; [Zbl 0326.14012](#)).

**MSC:**

- [14Kxx](#) Abelian varieties and schemes
- [14-02](#) Research exposition (monographs, survey articles) pertaining to algebraic geometry
- [14K15](#) Arithmetic ground fields for abelian varieties
- [14G05](#) Rational points
- [14K05](#) Algebraic theory of abelian varieties
- [14K20](#) Analytic theory of abelian varieties; abelian integrals and differentials
