

Tishabaev, Dzh. K.

Invariant metrics and indicatrices of bounded domains in \mathbb{C}^n . (English. Russian original)

[Zbl 0684.32021](#)

[Sib. Math. J. 30, No. 1, 166-168 \(1989\)](#); translation from [Sib. Mat. Zh. 30, No. 1\(173\), 216-218 \(1989\)](#).

See the review in [Zbl 0671.32021](#).

MSC:

32F45 Invariant metrics and pseudodistances in several complex variables

Keywords:

Carathéodory-Reiffen metric; holomorphic mapping; biholomorph; indicatrix

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
