

**Ostylovskij, A. N.**

**Connection between the weak minimum condition and the minimum condition for subgroups.** (English) [Zbl 0419.20032](#)

*Algebra Logic* 17, 142-148 (1979).

For a scan of this review see the [web version](#).

**MSC:**

**20F22** Other classes of groups defined by subgroup chains

**20E15** Chains and lattices of subgroups, subnormal subgroups

**20F50** Periodic groups; locally finite groups

**Keywords:**

locally finite groups; generalized descending chain conditions
