MSC:
\begin{itemize}
  \item \textbf{05C65} Hypergraphs
  \item \textbf{05C99} Graph theory
  \item \textbf{05-02} Research exposition (monographs, survey articles) pertaining to combinatorics
  \item \textbf{05B40} Combinatorial aspects of packing and covering
\end{itemize}

Keywords:
fractional graph; fractional matching; transversal number; fractional chromatic index; direct product; hypergraphs
