

Gupta, V. K.; Sureshkumar, R.; Khomami, B.; Azaiez, J.
Centrifugal instability of semidilute non-Brownian fiber suspensions. (English) Zbl 1185.76157
Phys. Fluids 14, No. 6, Paper No. 1958, 14 p. (2002).

Editorial remark: No review copy delivered.

MSC:

76-XX Fluid mechanics

Cited in 4 Documents

Keywords:

suspensions; multiphase flow; couette flow; viscosity; flow instability

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically

matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
