**Safraless procedures for timed specifications.** (English) [Zbl 1290.68070](#)

Chatterjee, Krishnendu (ed.) et al., Formal modeling and analysis of timed systems. 8th international conference, FORMATS 2010, Klosterneuburg, Austria, September 8–10, 2010. Proceedings. Berlin: Springer (ISBN 978-3-642-15296-2/pbk). Lecture Notes in Computer Science 6246, 2-22 (2010).

Summary: This paper presents extensions of Safraless algorithms proposed in the literature for automata on infinite untimed words to the case of automata on infinite timed words.
