

Shikina, I. S.

Asymptotic behavior of localized perturbations in free shear layers. (English. Russian original)

[Zbl 0638.76059](#)

Fluid Dyn. 22, No. 2, 173-179 (1987); translation from *Izv. Akad. Nauk SSSR, Mekh. Zhidk. Gaza* 1987, No. 2, 8-14 (1987).

MSC:

[76E05](#) Parallel shear flows in hydrodynamic stability

[76M99](#) Basic methods in fluid mechanics

Cited in **2** Documents

Keywords:

linear approximation; three-dimensional localized perturbations; shear flow; method of steepest descent; asymptotic behavior of double Fourier integrals

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
