

Chung, K. L.

Green's function for a ball. (English) Zbl 0643.31007

Stochastic processes, 6th Semin., Charlottesville/Va. 1986, Prog. Probab. Stat. 13, 1-13 (1987).

[For the entire collection see [Zbl 0607.00014](#).]

Sharp equalities for Green's functions on balls are given. Some parts of them did also appear in papers of Witman, Zhao, Hueber and others for more general cases.
