

Shashkin, A.

A functional limit theorem for the integrals over level sets of a Gaussian random field.
(English. Russian original) [Zbl 1334.60046](#)
Theory Probab. Appl. 60, No. 1, 150-161 (2016); translation from *Teor. Veroyatn. Primen.* 60, No. 1, 186-198 (2015).

MSC:

60F17 Functional limit theorems; invariance principles
60F05 Central limit and other weak theorems
60G60 Random fields
60G15 Gaussian processes
60G57 Random measures

Keywords:

Gaussian random fields; functional central limit theorem; level sets; Hausdorff measure; local time; coarea formula

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
