

Wang, Yi-Qing

A note on the size of denoising neural networks. (English) Zbl 1365.94056
SIAM J. Imaging Sci. 9, No. 1, 275-286 (2016).

MSC:

94A08 Image processing (compression, reconstruction, etc.) in information and communication theory
62M45 Neural nets and related approaches to inference from stochastic processes

Keywords:

small neural networks; small-scale texture denoising

Software:

Steerable pyramid

Full Text: [DOI](#)
