

**Péter, Rózsa**

**Mathematics is beautiful. (Translated by Leon Harkleroad).** (English) Zbl 0709.00523

*Math. Intell.* 12, No. 1, 58 (1990).

This paper is a translation, with excerpting and editing by the Intelligencer, of an address that Rózsa Péter delivered to high school teachers and students in 1963 in Rostock, German Democratic Republic. The original version was published in *Mathematik in der Schule* 2, 81–90 (1964).
