Order of the orthoprojection widths of the anisotropic Nikol'skii-Besov classes in the anisotropic Lorentz space. (English) [Zbl 07238440](#)
Eurasian Math. J. 7, No. 3, 8-16 (2016).

Summary: In this paper we estimate the order of the orthoprojection widths of the anisotropic Nikol'skii-Besov classes in the anisotropic Lorentz space.

MSC:

[41A46](#) Approximation by arbitrary nonlinear expressions; widths and entropy
[42B35](#) Function spaces arising in harmonic analysis

Keywords:

orthoprojection width; anisotropic Lorentz space; anisotropic Nikol'skii-Besov class
