Kurşungöz, Kağan; Zeytin, Ayberk

Publisher’s description: Three major branches of number theory are included in the volume: namely analytic number theory, algebraic number theory, and transcendental number theory. Original research is presented that discusses modern techniques and survey papers from selected academic scholars.

The articles of this volume will be reviewed individually.

MSC:
11-06 Proceedings, conferences, collections, etc. pertaining to number theory
14-06 Proceedings, conferences, collections, etc. pertaining to algebraic geometry
00B25 Proceedings of conferences of miscellaneous specific interest
