Faria, F. F.
Late cosmology in massive conformal gravity.  (English)  [Zbl 07381352]  

MSC:
83F05     Relativistic cosmology  
83D05     Relativistic gravitational theories other than Einstein’s, including asymmetric field theories

Keywords:
late universe; alternative theories of gravity; cosmological constant

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
