Hoare, C. A. R.
Preface to special issue on software verification. (English) [Zbl 07473314]

From the text: We hope that publication of this special issue will inspire the modern generation of students of Computing Science to devote their research to the goals of the Verified Software Initiative. The articles in this issue will provide them with the essential background for an understanding of the technical challenges.

For the entire collection see [Zbl 1473.68016].
