

**Komorowski, Tomasz; Tyrcha, Joanna**

**Asymptotic properties of some Markov operators.** (English) Zbl 0767.47012

Bull. Pol. Acad. Sci., Math. 37, No. 1-6, 221-228 (1989).

Summary: A class of Markov operators having a sweeping property is studied. Such operators appear in ergodic theory and applied mathematics.
