Erratum: Spanning homogeneous vector bundles. (English) [Zbl 0770.14011](#)

Comment. Math. Helv. 67, No. 3, 498 (1992).

The author points out that due to an incorrect lemma the following adjustment has to be made in the original paper [*Comment. Math. Helv.* 64, No. 3, 395-400 (1989; [Zbl 0705.14014](#))]: in the main theorem and its corollary, the vector bundle E is spanned by global sections only if (delete the “if” part!) the α indices of E are nonnegative.
