

**Ito, Noboru****On Hadamard groups. II.** (English) [Zbl 0808.05016](#)

J. Algebra 169, No. 3, 936-942 (1994).

Summary: This is a continuation of *Noboru Ito* [J. Algebra 168, No. 3, 981- 987 (1994)]. A relation between Hadamard difference sets and Hadamard groups is clarified, and Hadamard groups of Paley type are constructed.
