Generalized Finsler metrics. (English) Zbl 0853.53051

The title names the topic of a section in this proceedings volume of which this survey article is the preface.
For the entire collection see [Zbl 0844.00019].

MSC:
53C60 Global differential geometry of Finsler spaces and generalizations (areal metrics)
53-02 Research exposition (monographs, survey articles) pertaining to differential geometry
53B40 Local differential geometry of Finsler spaces and generalizations (areal metrics)

Keywords:
Lagrange spaces; Hamilton spaces; generalized Lagrange spaces; Finsler geometry of vector bundles; rheonomic Lagrange spaces; higher order Lagrange spaces; complex Finsler geometry of vector bundles
