

Ivanov, A. O.

The geometry of plane locally minimal binary trees. (English. Russian original) [Zbl 0862.05024](#)
[Sb. Math.](#) 186, No. 9, 1271-1301 (1995); translation from [Mat. Sb.](#) 186, No. 9, 45-76 (1995).

MSC:

05C05 Trees
05C35 Extremal problems in graph theory
05C90 Applications of graph theory
90C35 Programming involving graphs or networks

Keywords:

absolutely minimal Steiner tree; minimal Steiner networks; Steiner problem; one-dimensional Plateau problem; binary tree; rotation number; geometry; boundary set
