

Sarychev, Andrei V.

First- and second-order sufficient optimality conditions for bang-bang controls. (English)

Zbl 0868.49019

SIAM J. Control Optimization 35, No. 1, 315-340 (1997).

MSC:

49K30 Optimality conditions for solutions belonging to restricted classes (Lipschitz controls, bang-bang controls, etc.)

Cited in **9** Documents

93C10 Nonlinear systems in control theory

Keywords:

time-optimal control; Pontryagin maximum principle; bang-bang extremals; sufficient optimality conditions
