Trif, D.; Petrila, T.
Correction in the dominant space method for nonlinear evolution equations. (English)
Zbl 0900.76090

MSC:
76D05  Navier-Stokes equations for incompressible viscous fluids
76M25  Other numerical methods (fluid mechanics) (MSC2010)

Keywords:
nonlinear evolution equations; correction in the dominant space method; alternative method; dominant eigenvalues; Chebyshev collocation; Navier-Stokes equations
