

Dhar, Deepak

Self-organized critical state of sandpile automaton models. (English) Zbl 0943.82553
Phys. Rev. Lett. 64, No. 14, 1613-1616 (1990).

MSC:

82C20 Dynamic lattice systems (kinetic Ising, etc.) and systems on graphs
in time-dependent statistical mechanics

82C22 Interacting particle systems in time-dependent statistical mechanics

Cited in **4** Reviews
Cited in **188** Documents

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
