

Ashraf, M.; Jacob, V. W.

On certain polynomial identities implying commutativity for rings. (English) Zbl 0988.16518
Acta Sci. Nat. Univ. Jilinensis 1996, No. 2, 13-17 (1996).

MSC:

- 16U70** Center, normalizer (invariant elements) (associative rings and algebras)
- 16R50** Other kinds of identities (generalized polynomial, rational, involution)
- 16U80** Generalizations of commutativity (associative rings and algebras)
