On the parameterized complexity of layered graph drawing. (English) Zbl 1006.68544

For the entire collection see [Zbl 0971.00046].

MSC:

68R10 Graph theory (including graph drawing) in computer science
05C62 Graph representations (geometric and intersection representations, etc.)
05C85 Graph algorithms (graph-theoretic aspects)
68Q25 Analysis of algorithms and problem complexity
68U05 Computer graphics; computational geometry (digital and algorithmic aspects)
