

Kubáčková, Ludmila; Kubáček, Lubomír

Estimation in multiepoche regression models with different structures for studying recent crustal movements. (English) [Zbl 1080.62521](#)

Acta Univ. Palacki. Olomuc., Fac. Rerum Nat., Math. 35, 83-102 (1996).

MSC:

[62H12](#) Estimation in multivariate analysis

[62J05](#) Linear regression; mixed models

[86A32](#) Geostatistics

Cited in **1** Document

Keywords:

Gauss-Markov linear model with an error covariance matrix; repeated terrestrial geodetic measurements

Full Text: [EuDML](#)
