αm -open sets and αM -continuous functions. (English) [Zbl 1211.54030](#)
Commun. Korean Math. Soc. 25, No. 2, 251-256 (2010).

Summary: We introduce the notions of αm -open sets and αM -continuous functions and investigate some properties of such concepts.

MSC:

[54C08](#) Weak and generalized continuity
