

Ferrara, Massimiliano

An AK Solow model with a non-positive rate of population growth. (English) Zbl 1235.91126
Appl. Math. Sci., Ruse 5, No. 25-28, 1241-1244 (2011).

Summary: This paper analyzes how a non-positive population growth rate hypothesis affects the dynamics of the standard AK Solow model.
