Chow stability of canonical genus 4 curves. (English) Zbl 1312.14083

Summary: We give sufficient conditions on a canonical genus 4 curve for it to be Chow (semi)stable.

MSC:
14H45 Special algebraic curves and curves of low genus
14H10 Families, moduli of curves (algebraic)
14D22 Fine and coarse moduli spaces

Keywords: moduli of curves; Chow stability
