Chattopadhyay, Arkadev; Edmonds, Jeff; Ellen, Faith; Pitassi, Toniann
Upper and lower bounds on the power of advice. (English) Zbl 1344.68089

MSC:
68Q17 Computational difficulty of problems (lower bounds, completeness, difficulty of approximation, etc.)
68Q25 Analysis of algorithms and problem complexity
68P05 Data structures
68P30 Coding and information theory (compaction, compression, models of communication, encoding schemes, etc.) (aspects in computer science)

Keywords:
data structures; communication complexity; lower bounds
