Preface. (English) Zbl 1355.00042

From the text: This special issue of Journal of Global Optimization contains selected refereed papers presented at the 2015 World Congress on Global Optimization (WCGO IV). It took place during February 22–25, 2015 in Gainesville, Florida, USA.

MSC:
- 00B25 Proceedings of conferences of miscellaneous specific interest
- 90-06 Proceedings, conferences, collections, etc. pertaining to operations research and mathematical programming
- 90C26 Nonconvex programming, global optimization
