Introduction to “Schubert varieties, equivariant cohomology and characteristic classes, IM-PANGA15 volume”. (English) Zbl 1387.14006

In this introduction we briefly review what IMPANGA is, describe the conference and summarise the content of the volume.

Friedrich Hirzebruch passed away in 2012, during the aforementioned period. We dedicate this book to his memory.

For the entire collection see [Zbl 1382.14002].
