Polynomial bounds for the grid-minor theorem. (English) Zbl 1410.05186

MSC:
05C83 Graph minors
05C75 Structural characterization of families of graphs
05C78 Graph labelling (graceful graphs, bandwidth, etc.)
68Q17 Computational difficulty of problems (lower bounds, completeness, difficulty of approximation, etc.)
68Q25 Analysis of algorithms and problem complexity
68W10 Parallel algorithms in computer science
68R10 Graph theory (including graph drawing) in computer science

Keywords:
excluded grid theorem; graph minor theory
