**Math-Net.Ru video library: creating a collection of scientific talks.** (English) [Zbl 1434.68653](#)

Greuel, Gert-Martin (ed.) et al., Mathematical software – ICMS 2016. 5th international conference, Berlin, Germany, July 11–14, 2016. Proceedings. Cham: Springer. Lect. Notes Comput. Sci. 9725, 447-450 (2016).

Summary: In this article we give a brief description of the method for constructing a collection of conference talks applied in the Math-Net.Ru project.

For the entire collection see [[Zbl 1342.68017](#)].

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
